A close-up illustration of a character's face, focusing on the mouth and eyes. The character has large, expressive blue eyes with long, dark eyelashes. Their mouth is wide open, revealing a large, pink, tongue-like object that fills most of the oral cavity. The object has a smooth, glossy texture with some white highlights. The character's skin is a light, warm tone. The background is dark and out of focus, showing some indistinct shapes that might be other parts of the character or the environment.
